The within Agreement is made to effectuate the policy of the New Jersey Employee-Employer Relations Act, R.S. 34:13A-1, et seq., and to formalize agreements reached through negotiations conducted in good faith between the City and the UNO with respect to terms and conditions of employment.

Whereas, for the purpose of mutual understanding and in order that a harmonious relationship may exist between the City and the UNO to the end that continuous and efficient service will be rendered, this Agreement is created.

Now, therefore, it is agreed as follows:

ARTICLE I.

UNO RECOGNITION

The City hereby recognizes the UNO as the sole and exclusive collective negotiations agent for all temporary and permanent employees who hold the title of Licensed Practical Nurse, Graduate Nurse-Public Health, and Public Health Nurse.

ARTICLE II.
GRIEVANCE PROCEDURE

A. Purpose

1. The purpose of the Grievance Procedure shall be to settle all grievances between the City and the UNO as quickly as possible so as to insure efficiency and promote employees' morale.

B. Definition

A Grievance as used herein means any controversy arising over the interpretation or adherence to the terms and conditions of this Agreement, administrative decisions, or Municipal policies dealing with terms and conditions of employment.

C. Steps of the Grievance Procedure

A Grievance shall be processed as follows:

Step One:

(a) An aggrieved employee shall institute action under the provisions hereof within twenty (20) working days of the occurrence of the Grievance by discussing the matter with her immediate supervisor and UNO representative. Failure to act within the said twenty (20) working days shall be deemed to constitute an abandonment of the grievance.

(b) The immediate supervisor shall render an answer within three (3) working days to the UNO.

Step Two:

(a) If the Grievance is not settled through Step One, the same shall be reduced to writing by the UNO and submitted to the Director of Nurses, or her designee.

(b) The Director of Nurses or her designee shall answer such Grievance in writing with a copy to the UNO within five (5) working days of its submission.

Step Three:

(a) If the Grievance is not settled by Steps One and Two, then the UNO shall have the right to submit such Grievance to the Director of Human Resources or his designee.

(b) A written answer to said Grievance shall be served upon the individual and the UNO within seven (7) working days after submission.

Step Four:

(a) If the Grievance is not settled through Steps One, Two and Three, the aggrieved shall have the right to pursue all legal remedies afforded by provisions of the Civil Service Act.

(b) If the aggrieved does not elect to pursue her Grievance under the provisions of the Civil Service Act, and only if the grievance alleges a violation of the terms and conditions of the Agreement, then the UNO shall have the right to submit such Grievance to an arbitrator appointed by P.E.R.C. The arbitrator shall have full power to hear the dispute. The decision of the arbitrator shall be final and binding upon both parties. The cost of arbitration shall be borne equally by the City and the UNO.

D. Miscellaneous Provisions

1. The UNO President, or his authorized representative, may report an impending Grievance to the Director of Human Resources in an effort to forestall its occurrence.

2. Nothing herein shall prevent any employee from processing

her own Grievance, provided the Grievance Committee may be present as an observer at any hearing on the individual's Grievance.

3. Since adequate Grievance Procedures are provided in this Agreement, the UNO agrees that it will not engage in, encourage, sanction or suggest strikes, slowdowns, mass resignations, mass absenteeism or other similar action which would involve suspension of work or which would disturb or interfere with the orderly operation of the Department of Human Resources.

ARTICLE III.

NOTIFICATION

Proposed new rules or modifications of existing rules governing working conditions shall be negotiated with the representatives of the UNO before they are established, except as limited by the management's rights clause.

ARTICLE IV.

SENIORITY

A. Definition

1. Seniority within the field section shall be measured in accordance with length of service within the field section by title.

2. Seniority within the school nursing service shall be measured in terms of total length within the school nursing service, without regard to title.

B. 1. Seniority shall prevail in connection with requests for leaves of absence and supervisory relief work subject to licensure requirements.

2. Permanently appointed nurses have preference over temporary appointees in connection with the above.

C. Intrasectional Transfers

1. Within the field service, management shall have the right to appoint a nurse with the least fieldwide seniority from any of the other districts when a vacancy occurs. This system shall consist of one seniority list from each title with the nurses ranked in their order of seniority. The least senior nurses (in each title) within each district shall be transferable. Any nurse transferred shall retain her fieldwide seniority which shall thereafter be measured against the fieldwide seniority of others within her new district.

2. Within the school nursing service, a single seniority list shall be established, and in the event of a vacancy, school nurses may bid for the vacancy in order of seniority. In the event

there are insufficient nurses to cover school assignments, involuntary procedures (as set forth below) shall be invoked.

D. Intersectional Transfers

1. Moving from Field to School Nursing Service

(a) In the event an opening exists within the school nursing service, field nurses may bid for the job. These openings shall be posted as per Sections B and D of Article IX of this Agreement. The most senior volunteer shall be appointed regardless of title.

(b) In the event no voluntary transfer is possible, the City shall transfer a nurse with the least seniority on any of the three seniority lists maintained in the field service.

2. Transfers from the School Staff to the Field

(a) In transfers from the school nursing staff to the field staff the least senior school staff nurse shall be transferred.

(b) Seniority after intersectional transfer

1. A nurse transferring from one section to another does not carry her previous seniority with her from her old section, except as set forth below.

2. A nurse who voluntarily transfers, thereby becoming the least senior individual within her new section, and is involuntarily transferred back to her old section regains the amount of seniority she had when she voluntarily transferred out, but receives no seniority credit for the time in the intervening section to which she had voluntarily moved.

ARTICLE V.

HOME VISITS

A. Public Health nurses are not to be expected to make home visits where the safety or welfare of the nurse is threatened.

B. Public Health nurses' home visits will be restricted to necessary calls during days with inclement weather, storms, excessive heat or during civilian disturbances which might jeopardize the health and well-being of the nurse.

C. The City shall supply necessary transportation and assistance to those nurses making emergency calls during days of severe inclement weather.

D. Transportation Expense Reimbursement

1. All full time employees who use their own vehicles will be compensated at the rate of One hundred (\$100.) dollars per month, providing they comply with the following:

a. That the employees have written authorization from their department directors;

b. That they actually use their own vehicles at least fifteen (15) days in connection with City business during any calendar month on which they have their director's authorization. For the purpose of this article, an employee shall be considered to have used his vehicle on any day on which he makes one trip on City business.

c. Employees authorized by their directors to use their vehicles occasionally (from time to time) will be reimbursed the sum of Five (\$5.00) dollars for each day of use regardless of the time the vehicle is used during any one day.

2. Reimbursement will only be made on a monthly basis, providing that signed vouchers by their directors accompany their request. No payment to exceed one hundred (\$100.) dollars per month.

3. If any employee is absent from work for a total greater than five (5) days per month, each day thereafter five (\$5.00) dollars will be deducted from his or her monthly payment.

4. Part-time employees shall receive a pro-rated amount of reimbursement.

ARTICLE VI

B. School nurses shall work the hours that their school is in session. Field staff nurses shall work in accordance with their current hourly schedule, e.g., 8:30 - 3:30, 9:00 - 4:00. The above schedules will be adhered to except in special situations requested by individual nurses to alter the working schedule for the convenience of the nurse, provided the best interest of both the nurse and the Department of Human Resources is served.

C. The City shall have the right to establish a new shift in the event its needs so require for a hospice program. The Union shall be given thirty (30) days' notice of such intended change and will negotiate on such change, but the right to implement the new shift will remain with the City.

D. Full time employees who work in excess of their regularly scheduled work week shall receive overtime compensation at the rate of time and one-half for such hours worked. For overtime work done on a sixth consecutive day, the rate shall be time and one-half, and on a seventh consecutive day, double time. All work performed on a holiday shall be compensated at triple time.

E. Employees who are recalled for emergency work during a time period not contiguous to their regularly scheduled shift shall receive a 4 hour minimum at the rate of time and one-half. The employer shall have the right to retain the employee for the two hours.

F. Overtime work shall first be offered to regularly employed nurses in the section in which the overtime arises.

G. Overtime work shall be distributed equally within title whenever practicable. Records shall be kept by the Nursing Service Section and may be reviewed by the UNO at reasonable times.

H. Overtime work, except in emergencies, shall be voluntary and there shall be no discrimination against any employee who refuses to work overtime.

I. Overtime work shall be restricted to definite, necessary cases requiring treatment on those specific days, weekends and holidays.

J. For the purposes of computing overtime, the following formula shall pertain:

0 - 15 minutes	-	No overtime payment
15 - 30 minutes	-	1/2 hour at overtime rate
30 minutes or more	-	1 hour at overtime rate.

The above formula shall pertain for the first hour only. All work in excess of the first hour shall be paid at the overtime rate for actual time worked.

K. Overtime rates shall be computed based upon the regularly scheduled work-week of the employee.

L. All employees shall be granted a lunch period of one (1) hour during each working shift. The meal period for employees in the School Nursing Service shall be consistent with school policy.

M. Emergency shall mean a situation that neither the employer nor the employee has control over, i.e., an Act of God, a local catastrophe, or any unforeseen act that cannot be anticipated.

N. Any nurse required to attend an in-service program or course outside of her normal work hours shall be compensated at the applicable overtime rate.

DUES CHECK-OFF REPRESENTATION FEE

A. The City agrees to deduct Union dues from the salaries of the employees included in this bargaining unit upon receipt of signed Union cards, the same to be deemed authorization to deduct dues, once a month and shall remit the dues deducted to the Treasurer of the Union monthly. Any written designation to terminate authorization for check-off must be received in writing by the City and the U.N.O., and the filing of notice of withdrawal shall be effective to halt deductions as of January 1 or July 1 next succeeding the date on which notice of withdrawal is filed. The U.N.O. is to be notified of all new personnel, starting salary, sectional assignment, address, and resignation. Nurses who return from a leave of absence will be restored to dues deduction automatically, provided they were on dues deduction previous to their leave.

B. Dues deduction shall be in compliance with the statutes and laws governing same. Remittance of dues monies deducted, together with records of any corrections, shall be submitted to the Union Treasurer by the fifteenth (15th) day of each month following pay period in which the deductions were made.

C. If, during the life of this Agreement, there shall be any change in the rate of membership dues, the Union shall furnish to the City a copy of the resolution adopted by the Executive Board for the said increase in dues, prior to the effective date of any such change.

D. The Union will provide a copy of the membership card for each of its members and the same will be accepted as "check-off" authorization, the said cards to be signed by each member. The said cards are to be delivered to the Payroll Supervisor. The Union shall indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability that shall arise

out of or by reason of action taken by the City in reliance upon the salary deduction authorization cards submitted by the Union to the City.

E. The City will provide the Union prior to January 1 and July 1 of each year, a list of any employees requesting the termination of dues check-off.

F. Representation Fee.

1. Purpose of Fee

If any eligibility member of this bargaining unit does not become a member of the Union upon being employed by the City, said employee will be required to pay a representation fee to the Union for the membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Union as majority representative.

2. Amount of Fee

A. Notification

Prior to the beginning of each membership year, the Union will notify the City in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Union to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

B. Legal Maximum

In order to adequately offset the per capita cost of services rendered by the Union as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Union to its own members, and the representation fee has been set at 85% of that

amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Union membership year immediately following the effective date of the change.

C. Termination of Employment

If an employee who is required to pay a representation fee terminates his or her employment with the City before the Union has received the full amount of the representation fee to which it is entitled under this Article, the City will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

D. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of regular membership dues to the Union will as nearly as possible be the same as those used for the deduction and transmission of regular membership dues to the Union.

E. Changes

The Union will notify the City in writing of changes in the amount of representation fee, and such changes will be reflected in any deductions made more than 10 days after the City received said notice.

F. New Employees

On or about the last day of each month, beginning with the month this Agreement becomes effective, the City will submit to the Union, a list of all employees who began their employment in a bargaining unit position during the preceding

30 day period. The list will include names, job titles and dates of employment for all such employees. This list shall be in addition to the requirements of paragraph 3A above.

4. Indemnification

The Union in exchange for implementation of said Agency Shop hereby agrees to hold the City harmless against any and all claims or suits or any other liability occurring as the result of the implementation of this Agency Shop provision.

ARTICLE VIII
TEMPORARY STATUS

A. The UNO and the City recognize that frequently there is an inequitable delay in conferring the status of "permanent" on employees.

B. To alleviate this inequity, the City agrees to use whatever powers at its disposal, including petitioning the Department of Civil Service, to keep the status of "temporary" or "provisional" as same pertains to any employee covered by this Agreement to the shortest possible amount of time.

ARTICLE IX
NEWLY CREATED POSITIONS

A. If in the opinion of the City, an open position demands additional qualifications than those set by Civil Service, the City agrees to submit to the UNO the additional criteria for comment prior to submitting the same to the Department of Civil Service for approval.

B. In the event that there exists a new opening or a vacancy in a position that presently exists, or if a new position is hereinafter established, there shall be posted on the bulletin boards in district offices and sufficient copies given to the UNO President precisely what the new position is and in every event the qualifications necessary to fill such a position.
